Marshfield Road over North Branch Clear Creek, Bridge Rehabilitation Project, PIN 5764.91
Town of North Collins, Erie County

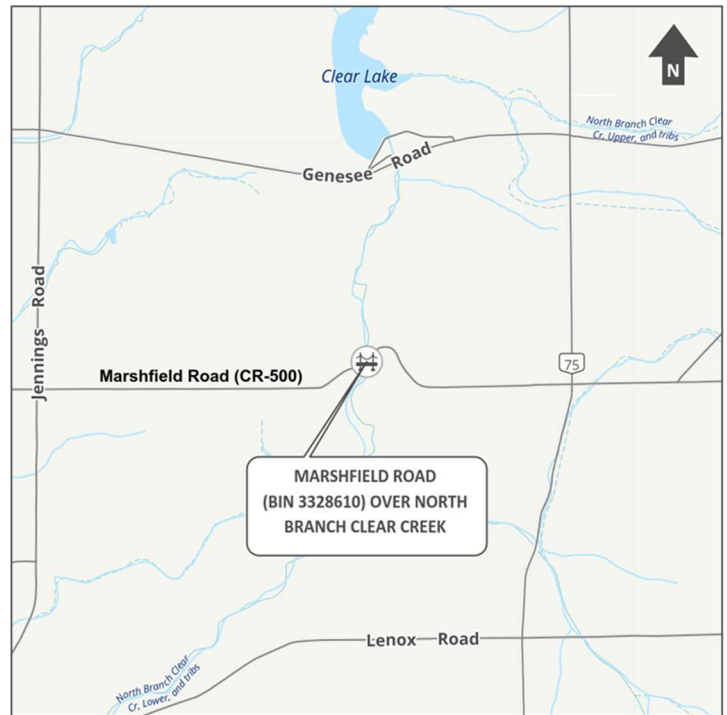

PUBLIC INFORMATION AND COMMENT PERIOD

This notice is in regard to a bridge rehabilitation project of the Marshfield Road over North Branch Clear Creek Bridge in the Town of North Collins. Erie County is soliciting input and comment from the public on the proposed improvements. There will be no formal public meeting for this project, however information regarding the project scope is included on the following page as well as being available on the following website:

www.marshfieldbridgerehab.com

The project includes:

- Steel liner installed into existing concrete arch
- Wingwall replacement & concrete repairs
- New pavement with widened shoulders
- New guide railing

Interested residents and the general public are encouraged to review the written and graphical documentation available. Comments or questions may be directed to the County's project manager. The County will accept comments via phone, e-mail, or written comments postmarked by Friday May 2, 2025. Feel free to use the attached comment form or complete the comment form found on the website listed above. If you require additional language services, please contact Erie County at the address below.
